

Looking beyond behaviour

This four-week programme aims to present a new way to look at and understand behaviour. Based on the science of brain development the group will explore where behaviour comes from and what the behaviour might be trying to communicate, moving towards helping children to manage behaviour with compassion.

Who is it for? Parents and carers of children aged up to 18 years.

When and where is it happening? Thursday 29th February- Thursday 21st March
4:00-5:30pm at The Bridge Child and Family Centre, Le Geyt.

How can I take part? Please contact the Children and Families Hub team on 01534 519000, or email childrenandfamilieshub@gov.je to reserve your space.
(please note that spaces on this programme are limited and will be allocated on a first come first served basis).

The Children and Families Hub provides information, advice and support for children, young people, and families.
