

SUMMER TASK – VISUAL ARTIST RESEARCH

TASK - Choose ONE of the artists from the list to produce a double page artist reference on.

ADVICE – You must evidence in your research

- Name of artist
- When did they live/make art (if still alive say they are “Contemporary”)
- Link them to an art movement if relevant ie pop artist, cubist, abstract expressionist etc.
- Most importantly, what do you want to take from their work to put in your own? What is the connection to your work? What do you want to replicate in your own work? How does the artists work connect with your theme/title?

SUBMISSION – This can be produced straight into a sketchbook but will involve you buying a high quality book and printing the images out yourself. OR you can produce it on a word document and send it to me to print for you when you arrive at Hautlieu in September. My email is r.allen@hautlieu.sch.je
